Twisted sister i wanna rock spongebob

In the AXS TV clip below, Twisted Sister's Dee Snider talks about reuptaking the band's iconic song I want to Rock for a feature in the Spongebob Squarepants movie, which was released in 2004. Snider recently checked via Twitter with the following update: Thank you. I complete the final draft of my first fiction novel. It's a period piece/coming of age story set on Long Island, NY in 1972/73 inspired by true event. No, that's not my story. (May 2020) (Learn how and when to remove this template message) Like the earlier We're Not Going to Take It, the video features actor Mark Metcalf, known as the abusive ROTC leader Douglas C. Neidermeyer of the movie National Lampoon's Animal House. Here he plays a teacher with a similar personality to Neidermeyer, harassing a student to draw the Twisty Sister logo on one of his textbooks. He chastens the student by shouting What kind of man defecates a defenceless textbook?! I have a good thought of slapping your fat face!, which echoes a line from Animal House: What kind of man hits a defenseless animal [a misconduct horse]? I have a good mind to break your fat face in! Metcalf's character reprises his question from the We're Not Going to Take It Video, What Do You Want to Do With Your Life?! This provides an edge to the track as the student answers with the first line of the song, I want to rock!, after which he and four of his classmates are immediately transformed into Twisted Sister's five members. After the evil teacher's repeated attempts to stop his rock-loving students fail not only but also backfire on him, he creeps into the principal's office, only to be confronted by the principal, played by Stephen Furst, who played Kent Flounder Dorfman in Animal House, alongside Metcalf. Furst reprises one of his lines from the movie: Oh boy, is this great!, before injecting water from a seltzer bottle at the teacher. The list includes tracks from the biggest names in the genre such as QUEEN, AC/DC and Joan Jett. In the preview clip below, TWISTED SISTER's Dee Snider talks about allowing the band's song I want to Rock to be re-recorded with different lyrics for a feature in The SpongeBob Squarepants Movie, which was released in 2004. He says 'I want To Rock', directed by Marty Callner, who directed the first TOLERated video, 'We're not going to take it', was actually part two. It was, like, here's dad, the dick at home. What happens when he goes to work? Well, he's a nasty school teacher. Years later, I got a call [from] my manager that 'SpongeBob Squarepants' was interested in using 'I Want To Rock' as the

grand finale in 'The SpongeBob Squarepants Movie'. I immediately lit up — licensing is fantastic; I have two kids in college. And he goes, 'There's one catch. They want to change the words to 'Goofy Goober Rock'. Well, I'm losing my mind. I'm, like, 'Are you playing me? That's my music. That's my art. How much? Do they want me to sing it?' They gave me a lot Pay. It's called 'Goofy Goober Rock.' God bless 'SpongeBob Squarepants'. Season three of AXS TV's The Top Ten Revealed will premiere on April 19. The Original I I Rock music video showed Mark Metcalf, who died in the clip for Us's Not Going to Take It, yelling at a kid in an elaborate scene before the song begins, with the kid responding I want to rock up to Metcalf's question, What do you want to do with your life? This past February, I want Rock to be featured in Facebook's Super Bowl ad. The ad, which promoted the Facebook groups feature, also included appearances by Sylvester Stallone and Chris Rock. We're not going to take it was used in commercial for hotel chain Extended Stay America, Claritin, Walmart, Stanley Steamer and Yaz birth control. TWISTED SISTER called it that in 2016 after completing a farewell 40th anniversary tour. The band's last concert took place in November of that year — 20 months after the passing of TWISTED's longtime drummer A.J. Pero. Comment Share SpongeBob SquarePants (voiced by Jim Wise) The SpongeBob SquarePants Movie 2004 The SpongeBob SquarePants Movie soundtrackSpongeBob's Greatest Hits Goofy Goober Rock is a song performed by SpongeBob SquarePants at the climax of The SpongeBob SquarePants Movie. This is a rock version of the Goofy Goober Song. In the life is the song performed by Jim Wise and Tom Rothrock. It's a change from I Want Rock, originally performed by Dee Snider of the band Twisted Sister. During the song, SpongeBob frees Squidward, Squidward, Puff, Sandy, Gary, King Neptune, and the Bikini Bottomites of their mind control. Lyric SpongeBob: I'm a goofy goober! (Rock!) You're a goofy goober! (Rock!) We're all goofy goobers! (Rock!) Goofy, goofy, goofy, goober! (Rock!) Put your toys away, well, all I have to say when you tell me not to play, I say no way! (No!) No, no, freaking way! I'm a kid, you say, when you say I'm a kid I say, say it again And then I say Thank you! (Thanks!) Thanks a lot! So if you think you want to be like me, Go ahead and try, the kid inside will set you free! I'm a goofy goober! (Rock!) You're a goofy goober! (Rock!) We're all goofy goobers! (Rock!) Goofy, goofy, goober, goober! Yes! (Guitar solo) Trivia The line No, no, freaking way! is changed in certain releases to No, no, no, no way! for censorship periods. The line Humala bebuhla boobuhla Humala bebuhla zeebuhla bop! is a sound clip from Net a Gigolo by David Lee Roth. Dee Snider himself later appeared on SpongeBob SquarePants as the voice of Angry Jack in Shell Shocked. From this song it is revealed that SpongeBob can play the following instruments: ukulele, guitar, cello and his own nose as a flute. In the Croatian dub, the song is known as Klinjo Rocker, meaning Rocker Kid. In the Tagalog dub, just the line I'm a goofy goober has been translated into Ako ay si Goofy Goober! (I'm the Goofy Goober!). The rest of the song is kept in English. External links Community content is available under CC-BY-SA unless otherwise noted. Noticed.
